Apply the Breaks are floating on cloud nine after being voted as Best Breakthrough DJ at the 2009 Breakspoll awards.

Â

The collective beat off competition from Adsoorb, D*Funk, Lady Waks and Richie Balboa to receive the coveted trophy at the national breakbeat awards night at London super-club Fabric.

Â

It means the group follows in the footsteps of the likes of the Breakfastaz, Friendly, Plaza de Funk, NAPT and Raw as F*CK - aka the Freestylers -Â in winning the best newcomer category.

Â

Apply the Breaks would like to say a massive thank you to everyone who voted for us - it means a lot to us all!
